**ARGOSY MANAGEMENT GROUP IS AWARDED  
VINELAND CONSTRUCTION CO. RELOCATION**

NEW JERSEY, DECEMBER 2017 – Vineland Construction Co. is a large real estate investment, development, and management company based in southern New Jersey. They were looking for a team of experts who could manage their relocation without disruption to their daily operations. They also had specific and very unique items that needed to be delicately handled. AMG’s principal, Paul Sipera said, “It was simple, really. When we first met with Vineland Construction, we knew what they expected from a partner. I knew that my company would be able meet their company’s needs, and I believe we ultimately exceeded their expectations. As with every relocation, the success is always in the details.”

Here’s what Vineland Construction Co.’s Donna DeFrank had had to say about us, “First let me say that the AMG team was a pleasure to work with. The project manager and his crew were energetic, responsive, responsible, and we couldn’t be happier with our move. It was so nice to have our different teams work together.”
